

Dear Second Graders,

My name is Miss Nandlal and I am so excited to be your teacher! I hope you are enjoying summer with your families and are doing some fun things together.

Second grade is going to be great! We are going to be learning about reading, writing, math, science, history, and lots more! Get ready for some projects, experiments, and lots of hands-on activities.

Here's a little bit about me (Miss N.): I love to teach, travel, learn about different cultures, listen to music, and spend time with my family. My favorite color is purple and I have a cat named Georgino who likes to play Hide and Seek. I also grew up here in Rockland County, like you!

Over the summer, I am making sure that I exercise my brain every chance I get! Join me by exercising your brain too! Here are some tips that will help you become *a super, successful, 2<sup>nd</sup> Grader*:

- ◆ Read or be read to for 20 minutes daily
- ◆ Practice addition/subtraction facts (0-10)
- ◆ Write in a journal about your summertime experiences. Be sure to use complete sentences with capitals and punctuation.

One more thing, please bring in a picture of you and your family on our first day of school. I can't wait to meet you and learn all about your families! We are going to have a great year together! Have a wonderful summer! See you soon!

Warmly,

Miss Nandlal (Miss N.)
