Create your own town in Spanish on the grid provided which includes:

- 2 avenues and 4 streets labeled in Spanish;
- at least 6 different stores, 1 fire station, a kiosk, 2 traffic lights and 2 mailboxes, all spread out on alternate sides of streets and on corners.
- several (at least 3) other places in a typical town (library, pool, mall, supermarket, etc.)

Choose 2 points on the map and give directions from one point to the other. (Do this 2 times choosing different points.)

Include the following commands:

- “follow” or “continue” (twice)
- “turn” (twice) to the left and the right
- “cross” (at least once)

Include several of these prepositions or prepositional phrases in Spanish:

- by, along, through, throughout, around, at, on
- next to
- near, close to
- to the left (of)
- to the right (of)
- in front of
- facing, across from
- behind

Include this useful vocabulary:

- to be located
- a (city) block
- the corner
- the intersection
