Dear Parents,

On June 21st, your child will be participating in the Third Grade Wax Museum. This is a culminating activity during our biography unit. Each student will be expected to learn all about their person. We will be doing the research in school; however, we will need your help☺ We need each student to pick their top three choices and list them in order of preference on the form below. Some possibilities are: artists, athletes, writers, presidents, other historical figures, inventors, and musicians. Their choices should be people who have made a **lasting** contribution to the field. Also, please keep in mind that some famous people are not appropriate for 3rd graders. Have your child read a little bit about their top three choices to make sure they would be a good fit.

To ensure variety, multiple students in a class will not be allowed to choose the same person. Therefore, it is important to have several possible options in mind.

Please return this form by **Tuesday, April 30th** so we can assign a person to your children in order to get started on the research.

Thanks for your continued support,
The Third Grade Team
