Halloween Feedback

Mostly positive, some parents felt it was a little too long. Last year students walked around parade route twice and some parents said they didn't get a chance to see their child. In order to remedy this, the students walked around the parade route three times this year. Next year will try two laps around and see how it goes.

PTA Projects

- The shadow box is set up. Julie is working on the art to decorate the inside of the shadow box.
- Word of the Month pencils have arrived. Pencils will be distributed at the monthly introduction to the word of the month assembly.
- PTA/*Friend Smart* will look into funding for Buddy Bench.
- PTA will purchase 12 chess sets at a cost of $137.59. Chess will be on Thursdays after school with Tom Colgan and Brian Galvin.

Election Day

Students will be voting for the logos for their grade's field day T-Shirt. Each class voted and submitted one logo. Two logos were chosen by the student government to vote for on Election Day. Thanks to Liz Piteo who created patriotic and realistic voting booths and Randi Nerkezian for setting up the iPads for student voting.

School Spirit

November 18	Word of the Month is Gratitude
	Students will write something they are grateful for on a feather to be added to a large turkey in the cafeteria.
December 16	Word of the Month is Diversity
	Festive Sweater Day

Playground Update

PO for landscaping has been submitted.
